Mr. J. Howard Marshall  
1320 Espesson Building  
Houston, TX 77002

Dear Mr. Marshall:

David Kooh has asked me to confirm your willingness to make the maximum allowable contribution both to the Clark for President campaign and to the Libertarian Party. Such contributions would be of immense benefit to the Libertarian effort in 1980.

Federal law allows personal contributions of up to \$1000 for the Clark for President campaign, and up to \$20,000 per year for the Libertarian Party; these contributions may not be corporate.

David and I hope you will send your checks for the maximum legal amount, payable to "Clark for President" and "The Libertarian Party" to the address shown below at your convenience. Many thanks for your consideration.

Sincerely,

Chris Hooker
